## Second Hand Heavy Industrial Buildings for Sale

**Design:** Bolted construction made from rolled structural and built up sections

**Age:** 1970 and later

**Size:** 250,000 square feet to 2,000,000 square feet

**Overhead Cranes:** 20T to 75T Capacity, 75 ft to 100 ft span

The recent industrial downturn in USA has created a large surplus of heavy industrial buildings. These buildings are in excellent condition, and we can provide firm pricing to purchase, matchmark, dismantle, export pack, and ship these buildings at substantial cost savings compared to new purchase.

**Please send us your inquiry and we will contact you with available options.**
